CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: April 2017   **Void After:** April 2018

Product: Drinking Water Treatment Unit - Aesthetic Effects   **File No. KW-10569**

Issued To: Epic Life Inc. Dba Epic Water Filters
1630 30th Street
Boulder, CO 80301

Identification: Each product shall be permanently and legibly marked by means of a permanent plate(s) or label(s) affixed in a readily accessible location to the system. This information shall include the model number, name and address of manufacturer, functional description of the system, maximum working pressure in kPa (psig), maximum operating temperature in degrees C (degrees F), and a statement noting that the system conforms to NSF/ANSI 42 for the specific performance claims
as verified and substantiated by test data. Where applicable and appropriate, the information shall also include the model number of replacement components, electrical requirements, and a statement (or its equivalence) for activated carbon systems: "Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system."

Product shall also bear the UPC® certification mark.

Characteristics: Point-of-use and point-of-entry systems intended to reduce substances
