Dear Rob and Team,

The Pinellas County Division of Environmental Management would like to extend a special thank you to Epic Water Filters for their continued support of the 2023 Cross Bayou and Joe's Creek Cleanup event on Saturday, October 21st, 2023! The benefits of the cleanup extend well beyond the physical removal of debris.

Our sponsors enable education and increase public awareness which prevents future littering and creates advocates for the environment. Thank you for your donation of 50 water bottles with filters valued at \$2,500. Donations to this event are tax deductible.

Your support makes it possible for events like these to exist and to make the community a GREAT place to live. If you would like to see photos from the event, they will be posted on our Facebook page at <https://www.facebook.com/PinellasEnviroNews>.

Thank you again for your generous donation!

Sadie Alderson
