TEXTURAL APPEAL

Embrace natural textures for an inviting home

Style tip: One thing all successful interior design schemes have is a mix of textures, with the end result being a truly warm and inviting home. Get the look with materials such as travertine, feature stone and timber and soften it all with linens, velvets, soft throws and time-worn oriental rugs.

1. Martello Tower Home by Luigi Rosselli Architects, luigrosselli.com. Project architect Simon Hassall. Interior designer Romaine Alwill of Alwill Interiors, alwill.com.au.
