

CONDITION SPECIFIC DIET

DIGESTIVE TURKEY + RICE

high protein
moderate fat
high carb

INGREDIENTS

UDA Ground Turkey, Long Grain White Rice, Pumpkin, Papaya, Spinach, Dicalcium Phosphate, Sodium Chloride, Potassium Chloride, Calcium Carbonate, Fish Oil, L-glutamine, Taurine, Borage Oil, Choline Bitartrate, Wynwood Dog Food Co.® Advanced Probiotic, Magnesium Oxide, Zinc Gluconate, Vitamin E Supplement, Ferrous Sulfate, Kelp, Calcium Pantothenate (Vitamin B5), Niacin (Vitamin B3), Selenium Yeast, Manganese Gluconate, Copper Gluconate, Thiamine Hydrochloride (Vitamin B1), Riboflavin (Vitamin B2), Pyridoxine Hydrochloride (Vitamin B6), Vitamin D3 Supplement, Vitamin A Supplement, Biotin, Folic Acid, Vitamin B12 Supplement

QUICK SUMMARY

EASY DIGESTIBILITY

Only includes high-digestible ingredients with low allergenic potential for dogs with adverse food reactions

OPTIMAL FORMULATION

Formulated to achieve a high level of protein with a moderate to low level of fat at the inclusions for optimal gut function

PROBIOTICS + PREBIOTICS

Our Advanced Probiotic is already included in this diet to ease the transition and help fuel the gut microbiome

INDICATIONS

- Dogs with acute gastroenteritis
- Dogs with chronic GI issues (diarrhea, intermittent vomiting) in need of a highly digestible diet
- Dogs prone to intermittent episodes of acute gastroenteritis
- Picky eaters or dogs who are hyporexic
- Surgical or other medical recovery
- Dogs with an abnormal GI microbiome
- Suitable for both puppies and adult dogs with any of the above conditions

CONTRAINDICATIONS

- Dogs with pancreatitis (the diet is formulated as a moderate fat diet)
- Dogs with a turkey allergy

DIET DESCRIPTION

The Digestive Support diet is formulated to achieve high digestibility, low residue, and enhanced palatability to support dogs with gastrointestinal issues. Lean protein provided by turkey and added L-glutamine help preserve normal intestinal function. Pumpkin, papaya, and rice provide highly-digestible carbohydrate and soluble fibers to increase digestibility and contribute to a healthy microbiome. Fish and borage oils contribute anti-inflammatory fatty acids to assist in recovery, and Wynwood's probiotic blend provides additional support for the microbiome and gut immune function. The diet is complete and balanced for long-term feeding in puppies and adults, and is suitable for either short- or long-term feeding as needed to support recovery.
