### ADDITIONAL INFORMATION

Complete and balanced maintenance diet. Appropriate for all life stages.

Our Venison + Squash diet provides high levels of protein and a moderate level of fat. It's formulated for the long-term daily feeding in all life stages and is optimal for senior dogs. This diet is highly digestible and rich in phytonutrients as well as natural antioxidants. The elevated nutrient density is ideal for dogs who need to lose weight. The egg along with the added fat creates a highly palatable diet for those picky eaters.
