- Professor David Shanks (Brain Sciences)
- Ms Lara Speicher (Library Services)
- Professor Lynn Ang (Institute of Education)
• Mr Nicholas Tyndale (OVPR)
• Dr James Wilson (Information Services)

In Attendance

• Andrew Gray (Secretary)

Terms of Reference

Co-ordination

• To oversee the rollout of Open Access in UCL
• To advise UCL’s Academic Board on policy matters in relation to Open Access for research publications in electronic format and UCL Research Publications Service
• To monitor the implementation of UCL’s Open Access mandate, as agreed by Academic Board in October 2008
• To act as an Advisory Board for UCL’s Open Access and Research Publications Services
• To align management reporting requirements for the Research Excellence Framework with the development of UCL’s repository of publications and bibliographic information.

Promotion

• To promote Open Access within UCL, nationally and internationally, as an important scholarly medium for the dissemination of UCL’s research outputs, particularly in the context of UCL’s research Grand Challenges
• To ensure that the interface to, and presentation of, the UCL repository attains the highest possible level of quality and service
• To act as a forum to advise on technical standards for online publication
• To advise UCL on ongoing resource issues which are connected with UCL’s Open Access mandate and it’s Research Publications Service.

Reporting Lines

• The Publications Board is a Working Group of UCL Library Committee. It will produce regular reports for Library Committee and submit to its officers the Minutes of each meeting of the Publications Board.
• The Publications Board will receive the Minutes of Working Groups etc. that are charged to report to it.

Combined attendance list
