## PROTECTING THOSE WHO PROTECT

Less-lethal equipment and training  
for law enforcement and security  
professionals

Armament Systems and Procedures (ASP) is much more than its legendary line of Tactical Batons, Restraint Systems and Flashlights. It's also the leading provider of integrated training in the use of that equipment—and it provides that training to law enforcement and security professionals around the world, tuition-free.

For more information, visit [www.asp-usa.com](http://www.asp-usa.com) or contact ASP Government Sales Manager Justin Manna (USAF Veteran): [justin.manna@asp-usa.com](mailto:justin.manna@asp-usa.com)

## Air Force Chief of Staff Gen. David L. Goldfein addresses the 33rd Air Force Security Forces Association National Meeting
