

A Distinctive Addition to your ASP Baton

BATON CAP SERIES

F Series

Logo Caps are available with 66 standard Prestige insignias. Custom die struck medallions are available for individual agencies

Blue Line Baton Caps recognize the men and women of law enforcement. This simple, iconic design is recognized around the world as a tribute to law enforcement—the police are said to be the "thin blue line" that separates order from chaos.

Leverage Caps lock the baton in the officer's hand improving retention and control. This unique design increases both speed to target and impact potential.

52921 F Series

Grip Caps are designed to enhance retention. They are produced for both Friction and button release Talon Batons. The anti-roll design adds stability when batons are not in use.

52940 T Series

BreakAway® subcaps are designed to be interposed between the cap and handle of Friction expandable batons. Removing the cap exposes three ceramic pins set in a machined aluminum geodome. Talon and Agent Batons employ a BreakAway Tip. BreakAways provide rapid entry through a vehicle window.

A Series

NEXUS CLIP

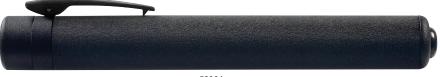

Nexus Baton Clips are compatible with all F Series (Friction) and T Series (Talon) Batons. They may be attached to 16, 21 or 26 handles and allow the use of Logo, Grip and Leverage accessory caps. They are also available for 40, 50 and 60 button release Talon Batons.
