

Centurion Bags

- Ballistic Weave
- Micro Fiber Handle
- Bound Lining
- Nylon Coil Zipper
- Soft Touch Pulls
- Color Coded

Protecting and transporting law enforcement equipment requires carriers of exceptional quality and durability. Centurion Bags are constructed to superior standards of performance. Each model is purpose built to secure and protect professional products.

The base material of each Centurion Bag is 1680 denier ballistic weave polypropylene. The rugged structure provides protection of contents during all types of rugged use.

The lining of these carriers is fine weave tricot. The material is soft, yet durable. All interior seams are bound.

Centurion handles are constructed from a unique polyurethane that is more durable than leather. It provides a firm grip while presenting a professional appearance.

Envelopes add a unique carry strap to backpack insert bags.

Nylon coil zippers with soft touch pulls secure each Centurion Bag. They are strong, secure and exceptionally smooth.

The distinctive tone-on-tone ASP Eagle is embroidered on the cover of each Centurion carrier. It is a worldwide assurance of bags that are constructed to the same standard of quality that has protected police professionals for over 40 years.

Small, medium, large and extra large Centurion carriers assure that bags can be precisely fit to the equipment being protected.

Black, silver, coyote, red and yellow bags allow contents to be color coded for rapid identification and presentation.

Accessory Bags provide a covered top.

View Bags showcase the case interior and contents.

Centurion Bags . . . Carriers of Quality

Addendum Bags expand to an A-shaped profile with exterior pockets.

PAK Bags secure contents with a circular profile.

Duty Bags have a D-shaped profile.
