## USE OF FORCE REPORT

- Remember:**
- The Incident Report is your account of what happened in a confrontation.
  - Many individuals, including a jury, may read this report.
  - Be certain to indicate the causes for your action including all reasonable suspicion and probable cause.
  - Quote the subject directly, if possible.
  - Quote your statements as accurately as possible.
  - Be chronological.
  - Show the totality of the circumstances.
  - List all factors that contributed to the incident.
  - Detail the debriefing that occurred.
  - Specify the care rendered to the subject after control was effected.
  - State your perception at the time of the incident based upon your training and experience.
  - Be specific with regard to the force you employed, areas to which it was directed and why it was employed in place of other force options.
