

# Off Duty Shirts

# Law enforcement is serious business...These shirts are an exception

We created the ASP Off Duty Collection to be the most comfortable alternative to the officer's decidedly less comfortable daily attire (base layer, uniform shirt, ballistic vest, jacket and duty belt).

These high-quality, resort-ready, short sleeve shirts are sure to get double-takes. Their colorful graphics include tropical elements, intermingled with iconic tools of the trade. The bonding black style features exact silhouettes of ASP chain and hinge Ultra Cuffs, under the watchful eye of our famous mascot. The "Jail Bird" design (blue) consists of a shackled flamingo, surrounded by ASP handcuffs hiding in and around the flowers. The Iron Eagle highlights various styles of ASP batons and restraints.

A button pocket on the chest of each shirt is the perfect place to hang sunglasses, keep a phone handy, or stow a cigar.

Off Duty shirts are made of 100% recycled, sustainable poly fabric. They are quick-drying, breathable and incredibly soft . . . yet substantial. The shirts are also highly wrinkle-resistant for easy travel and all-day wear. Machine wash cold with dark colors, gentle cycle, air dry.
