

BodiMetrics Health Monitors

Settings for English and Spanish languages

MobilDrTech currently carries 3 different monitor devices from BodiMetrics.

These are:

- VitalsRx Professional Monitor – FDA 510k Approved as Class II Medical Device - \$499
- Performance Monitor – FDA Exempt as General Health and Wellness - \$299
- O2 Vibe Monitor - FDA Registered - \$199

Selection of devices depends upon the planned clinical use case. For example, the VitalsRx and Performance Monitors collect the same spot vital signs but the VitalsRx professional version also has attachments for continuous ECG and SpO2 which allows for use in 24 hour Holter Monitoring and overnight sleep studies.

VitalsRx Professional with ECG Electrodes and Pulse Oximeter
