## SABO Slay - Detailed Info

### **Overview:**

The SABO Slay is a redesigned model of classic boots for Greco-Roman and freestyle wrestling but also ideal as an all-round gym shoe and for powerlifting training, as well as for competitions of different levels.

Soft construction gives a high degree of freedom of movement. The Slay was designed on a new shoe, created on the basis of an analysis of the measurements of athletes' feet. The footwear has a new non-marking sole made of high-quality rubber and provides excellent grip on carpet and hard surfaces. Protection of the laces is provided by a special pocket, which meets the requirements of wrestling competition.

### **Main features:**

- Modern footwear for popular traditional wrestling types of fighting
- Ideal as an all-round gym shoe and for powerlifting
- Completely revised soft construction ensures maximum freedom of movement
- The sole of a new composition of non-marking rubber allows to raise wear resistance. It has a special track pattern and provides excellent grip on the carpet surface
- The sole is sewn to the top with reinforced threads for maximum strength and reliability
- Lace pocket that meets the competition requirements for convenience and safety
- Modern attractive design

**PLEASE NOTE** : The soles are softer on this style of shoe so we recommend for use indoors only. If worn outdoors the sole will wear quicker.
