

UNISEX: QUICK SIZE GUIDELINES

THE SAYSKY FIT IS ATHLETIC: PLEASE NOTE

Our fit is athletic and designed for the typical runner/triathlete, with a lean and narrow body composition. If you're very muscular, bulky or simply prefer a loose fit, please pick a size larger than the recommendations.

Our recommendations are also based on a standard lower/upper body ratio.

If you're still in doubt, please don't hesitate to contact us: info@saysky.dk
