

# PRODUCT INTRODUCTION

*Evergreen Tool is proud to be a finalist for the  
2018 Wisconsin Manufacturer of the Year Award.*

When faced with a thicker walled hood, use the new Long Evergreen 5/8" Tube - 3/8" Pipe Compression Seal or the 1/2" EMT. The extra 3/8" length will give you just enough thread to make a tight fit.

**Long 5/8" T - 3/8" P  
Compression Seals**

Individual Part No.: **1141**  
Box of 24 Part No.: **1143**

2 5/16"

**Long 1/2" EMT  
Compression Seals**

Individual Part No.: **1230**  
Box of 24 Part No.: **1242**

1 7/8"

Installing an industrial dry chemical fire suppression system in a paint spray booth can be a daunting task. The new Evergreen extra-long Quik-Seals will make piping much easier.

P/N	X	Y
213L	5.00"	2.00"
172L	4.75"	2.00"
171L	4.50"	1.80"
170L	4.50"	1.80"

The excitement from kitchen hood fire suppression installers continues to grow. With input from you, our great customers and friends, we are pleased to introduce the 3/8" Blind Quik-Seal and 3/8" Blind Quik-Patch to the family of UL listed/patented blind penetration seals.
