Awakening the Bear Summary Sheet

**Units (2.2)**

- **Fresh**: A Fresh unit may be Activated, given 7AP, and immediately take an action.
- **Activated**: Each player may only have one Activated unit at a time. Activated units may take Unit (AP) Actions.
- **Spent**: The Activated unit is Spent once it has 0AP or another of the player’s units is Activated.

**Player Actions (2.2)**

- **Unit (AP) Action (3.0)**: Spend AP to take an action with the Activated unit.
- **Opportunity Action (3.1)**: Take an action with any Fresh unit and then mark it as Spent.
- **Command (CAP) Action (3.2.2)**: Spend CAPs to take an action with any Spent, Fresh or Activated unit.
- **Card Action (8.0)**: Play and resolve an Action Card from your hand or a Weapon Card assigned to a unit.
- **Stall Action (2.2)**: The player takes none of the above actions, but spends 1AP or CAP to keep from passing.
- **Pass Action (2.2)**: The player takes none of the above actions and spends no AP or CAP. If the player has an Activated unit, it is Spent. If both players pass consecutively, the round ends.

**Groups (9.0)**

- **Shared Activations**: Multiple units may be Activated and perform individual or group actions from a shared 7AP pool. Each individual or group action is a turn.
- **Group Actions (9.1)**: Unit (AP) Actions, Opportunity Actions, Command (CAP) Actions, and Card Actions may be taken by a group of contiguous units.

**Cost to Attack Direct/Indirect**

**Cost to Move**

- **Soft Defense Ratings (DR)**
  - Front Defense
  - Flank Defense

**Range**

**Cost to Move Tracked Movement Bonus**

- **Armored Defense Ratings (DR)**
  - Front Defense

**Range**

**Attack Rating (AR)**

- **Bullets & HE (Red)**
- **Armor-Piercing (Blue)**

**Unit Facing**

- **Cost to Fire**

**Attack Rating (AR)**

- **Bullets & HE (Red)**
- **Armor-Piercing (Blue)**

**Counter Symbols:**
- **Red Attack Rating (AR)** must attack **red Defense Rating (DR)**.
- **Blue Attack Rating (AR)** must attack **blue Defense Rating (DR)**.
  - White circle under Cost to Fire = Turret or 360 degree tripod. May fire outside of its arc for +2AP (15.4).
  - White box under AR = -2AR Penalty in CC (7.7.3).
  - Flamethrowers max range = 1, red or blue 2AR (19.1).
  - High Explosive resolved against Flank DR (12.3).
  - White box with red border under DR = Open Top Vehicle. DR changes from blue to red when attacked by artillery or mortar fire, or in CC by foot units (15.6).
  - Green wheel = wheeled vehicle bonus move indicator.
  - Blue Track = tracked vehicle bonus move indicator.

**Command Action Points (CAPs)**

- **Spending CAPs (3.2)**: CAPs may be used in place of any number of APs for any action.
- **Dice Roles (3.2.3)**: Up to 2 CAPs may be spent to add to or deducted from any roll, including Initiative, Attacking, and Rallying. CAPs are spent before the roll is made.

**Unit Actions**

- **Move (5.0)**: Pay Cost to Move to move to an adjacent hex and then pivot/facing any direction. Pay 1AP to only pivot in original hex (5.3). Units with bonus moves may move multiple hexes (14.1). Units may use bonus movement after pivoting. +1AP Cost to Move backwards (5.2).
- **Attack (7.0)**: Pay Cost to Attack to attack an enemy within the unit’s Fire Zone (6.2). Unit may attack at up to double its range for a -2AR penalty (7.7.1).
- **Rally (7.6)**: Unit pays 5AP/CAP to make a rally attempt to remove a Hit Marker. Succeeds on 2d6 > rally #. Unit receives +1 die roll bonus, if it is in +1DM or higher cover/or/ +1 die roll for each un-hit friendly unit in its hex.
- **Play Card (8.0)**: Use a Weapon Card that is assigned to the unit.
- **Hide (10.2)**: If a unit is not in enemy LOS, it may pay 7AP to hide anywhere within 1 hex that is also not in enemy LOS.
- **Hasty Defense (18.1.3)**: Unit pays 7AP to place a Hasty Defense counter.

**Groups**

- **Group Move (9.1.1)**: Contiguous units may move together and pay only the AP cost of the moving unit with the **highest** Cost to Move.
- **Group Attack (9.1.2)**: The Group Attack Leader pays its Cost to Attack. Adjacent units may join the Leader and each adds +1AR bonus to the Leader’s AR.
- **Other Actions**: All other actions may be performed by a group of contiguous units.

**Hidden Units**

- **Hidden Movement (10.1)**: Moving hidden into non-cover terrain costs +6AP. Moving into cover terrain costs +3AP.
- **Revealing (10.0)**: Units in non-cover terrain are revealed if an enemy within 2 hexes has LOS on them. Units in cover are revealed if an enemy enters their hex. Hidden units are revealed if they take an action other than Hidden Movement, Stall, or Pass.

**Combat**

- **Attack Value (AV)**
  - AV = Attack Rating + 2D6 + CAP dice roll modifiers (7.1).
- **Defense Value (DV)**
  - DV = Defense Rating + terrain DM (7.2).
- **Combat Resolution**
  - AV ≥ DV = 1 Hit. On a 2nd hit, unit is destroyed (7.3).
  - AV > DV + 4 = Critical Hit. Unit is destroyed (7.3).

**Close Combat**

- +4AR, -2AR if AR has a white box behind it.
  - All CC fire is against a defender’s flank DR (7.7.3).

**Short Range Fire**

- +3AR
  - Target is in adjacent hex (7.7.2).

**Long Range Fire**

- -2AR
  - Target is beyond normal range but not over 2x range (7.7.1).

**Line of Sight (LOS)**

- Units do not block LOS (6.0).

**Fire Zone**

- Any hex within the unit’s LOS, Arc of Fire, and Range (6.2).

**Stacked Units**

- Attack rolls are made against all units in a hex being attacked (7.5).

**Transported Units**

- Attacks are resolved against a transported unit’s flank. Transported units may not attack (17.0).

**Pre-Round Sequence**

- **Flip Spent Units** to their Fresh sides (2.2).
- **Smoke** - Reduce or remove Smoke Counters (13.0).
- **Reset CAPs** - Deduct one per casualty (7.4.2).
- **Draw Cards** - Take card(s) if called for (8.0).
- **Target Off-Board Artillery** for next round’s resolution (12.1).
- **Resolve Off-Board Artillery** targeted last round (12.2).
- **Prepare Reinforcements** called for by the Firefight (5.5).
- **Roll for Round Initiative (2.1)**.
