White Marble

Concreto

Travertine

Reflections splashback creates luminous and inviting spaces, and being flame retardant it can be used behind gas stoves. Also suited to wet areas such as shower recesses and vanity areas, Reflections offers a stylish solution for an express upgrade as it can be installed directly onto an existing tile wall.

Kitchen splashback in Concrete

Kitchen splashback in Travertine

The kitchen is the heart of every home, and in recent years the humble splashback has evolved to become an important focal point in your new kitchen. Reflections is proud to present the first of its new Designer Range Splashbacks.

Just like our solid colour range, these stunning high gloss, patterned splashback panels are durable, lightweight and flame retardant, and are quickly and easily installed.

Reflections Designer Range offer a simpler, more affordable alternative to printed glass splashbacks or natural stone splashbacks.

White Marble

Elegant and timeless are just two ways to describe marble. This luxurious marble pattern splashback will be a focal point in your new kitchen space and will add that "wow" factor that you've been looking for!

Concrete

If making a "statement" in your new kitchen is a priority then Concrete will most definitely gift you with that. This raw concrete textured pattern will enhance any space and suits any modern kitchen renovation. With its chic, industrial designer appeal, Concrete leaves a lasting impression.

Travertine

Aesthetically pleasing and rich in tradition, this classy rock-like pattern will be the highlight of your new kitchen. Considered the stone of choice by the Romans for hundreds of years, this stunning Travertine Splashback will stop anyone in their tracks!
