

**Age 5-7 Mask**  
Cut Elastic around 5.5"

The image shows a paper pattern for a child's face mask. It is a roughly rectangular shape with a curved top edge and a pointed peak at the top center. The bottom edge is a straight horizontal line. The pattern is intended for children aged 5-7 years.

**Women's Mask**  
Cut Elastic around 6.5"  
For a teen, cut elastic around 5.5 or 6"

The image shows a paper pattern for a women's face mask. It is a roughly rectangular shape with a curved top edge and a pointed peak at the top center. The bottom edge is a straight horizontal line. The pattern is intended for women and teenagers.
