1. CHOICE: Students may choose to focus on Skill Development or to incorporate Athletic Training & Competition.

- A. On a School or Travel Team (HS/MS) and wish to limit your physical training on your Sunday "off-day"? We'll work on advancing your skill levels (shooting, ball-handling, etc.) while limiting the running, contact and competition.
- B. Want the training & heated competition? That's available at your discretion. Let's go after it!

2. TOTAL FLEXIBILITY to attend any Session!

3. OPPORTUNITY:

- A. Regular Winter Training affords students the opportunity to maintain a high level of Skill Development throughout your Team Season. In fact, you will make significant IN-SEASON GAINS! During your School or Travel Team practices, there is often limited time to work on "your game". Do your work here at "Hoops"! Improve your skills for success with HS & MS Teams while enjoying friendships with your Training Teammates here at "Hoops"!
- B. Students enrolled in Winter Program Package (Season Pass) may extend their session time beyond the regular 2-hour session when attendance and court space allows.

4. GRADES 1-6 UPDATE: This refers to Grades 1 through 6. These fun, instructive, programs are designed to prepare students for the rigorous & advanced training available in our Middle School and High School Groups. Grades 1-6 members register for a Winter Program Package (Season Pass) wherein they attend regularly (see SCHEDULE below) and train within their group.

5. TEAM TRAINING: Certain groups (by age/gender) may have opportunities for TEAM TRAINING in addition to their Skill Development session...more on that later.

A HOLIDAY GIFT: An Investment in Your Child's Education & Basketball Future.
