

EcoLiving Events invites you to

**TAKE A STAND.  
SIT IN THE DARK.**

On this day hundreds of millions of people around the world will turn off their lights for an hour to demand action on climate change.

## Earth Hour In Calgary

Come out and support this global initiative!

**March 29, 2014 8:00-9:30pm**

Calgary Area Outdoor Council  
1111 Memorial Drive NW

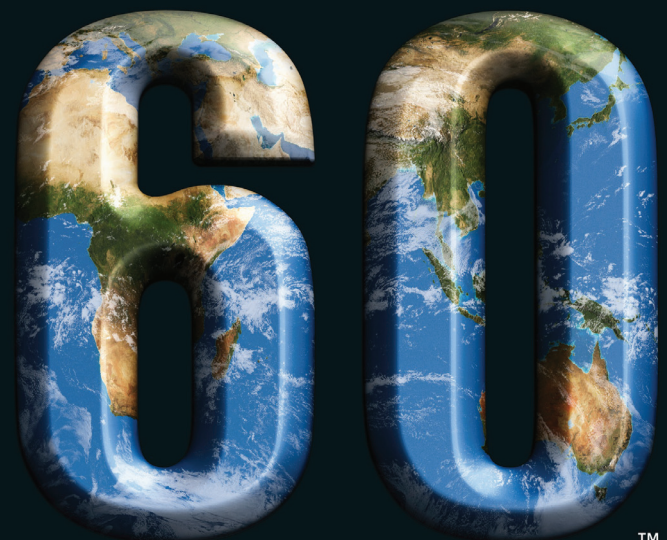

(Red brick building next to the river and west of 10th street bridge)

- Join us for a drumming session, drums provided or bring your own.
- Enjoy a cup of hot chocolate or coffee (bring your own mug)

We're at an exciting crossroads for electricity in Alberta; after decades of heavy reliance on coal, clean energy technologies offer us a cleaner, healthier, more stable energy grid. Renewable power is booming worldwide, and a wide range of voices within Alberta are calling for our Province to catch up. Learn more during our Earth Hour discussions.
