BHS-630

QUICK START GUIDE

WHAT'S IN THE BOX?

- 1 BHS-630 Headphones
- 2 Charging Case**
- 3 User Manual
- 4 Charger for Charging Case**
- 5 USB Cable for Charging Case**
- 6 USB Charging Cable
- 7 AUX Audio Cable

* Only applies to models which include Comply™ Premium Earphone Tips.

** Only applies to models which include the Charging Case

HOW TO CHARGE?

Although the headphones come with a partially charged battery, it is recommended that you fully charge your BHS-630 before first use.

Open the charging port cover with your fingernail and connect the USB charging cable. The LED indicator will turn RED while charging. When the LED turns Blue, the headset is fully charged. This takes less than 2h.

HOW TO CHECK THE BATTERY LEVEL?

Every time you turn the headphones on, you will hear the battery status notification. If the headphones are already turned on, you can trigger the battery status notification manually by briefly pressing “+” and “-” at the same time.

On iOS and some Android devices, you will be able to see the battery level of the headphones in the phone's status bar at the top.

HOW TO CONNECT?

Slide the Power Switch to ON position to turn the headset On. As soon as you hear the „Power On“ message, go to the Bluetooth menu of your phone. Search for new Bluetooth devices and select „BHS-630“. If something doesn't work, try turning your phone's Bluetooth off and on again.

HOW TO CONTROL?

- 1 Power Button
- 2 Plus Button
- 3 Minus Button
- 4 AUX Socket
- 5 Microphone
- 6 Indicator LED
- 7 Micro-USB Charging Port
