## *Pinot Noir* *2018*

*An exotic, perfumed and alluring light red.*

A classic fruit-driven pinot noir with bright red cherry and raspberry flavours, with just a hint of spice and earthiness upon a silky, sweet palate.

Our pinot noir is what we're known and loved for, a wine that is typical of its variety, exhibiting that beautiful spicy cherry flavour we have come to know and love from this grape.

**Food Match:** Made to drink and enjoy early, we recommend half an hour in the fridge before opening on a hot summer day and can be matched with a wide range of hot and cold treats, just nothing too heavy! Charcuterie, prosciutto, olive and rocket pizza and barbeque duck just to name a few.
