CAPABILITY STATEMENT

THE YOURCOFFEE UNIQUE VALUE PROPOSITION

YourCoffee is Australia's largest certified specialty coffee roaster providing complete brand solutions alongside custom roasting and solution driven coffee partnerships. YourCoffee strives to provide coffee that is accessible on every level through its service suite including:

Responsible specialty coffee sourcing

Scalable batch roasting, blending and grinding

Product development and Consulting

Complete packaging solutions

CORE COMPETENCIES

- High quality specialty coffee made accessible, consistent and scalable
- Responsibly sourced coffee, roasted in the heart of Melbourne's specialty coffee precinct of Brunswick
- Vertically integrated specialty coffee sourcing and roasting facility, with large scale automated packing on site
- 50 tonnes per week production capacity
- Highly-awarded portfolio of branded coffee solutions
- A one-stop shop for solution driven partnerships providing custom product development, design and branding solutions on site
- Direct distribution FIS Australia wide
- Able to meet with DIFOT requirements nationally
- Export pathways in place

CORE VALUES

- Solution driven partnerships
- Confidentiality
- Traceability and transparency
- Ethical practices
- High quality
- Quality assurance
- Trust and Respect
