# ABOUT US

We curate thoughtful essentials for every day life.

Inspired by creative people and homes around the world, we focus on classic, timeless products made to be lived in & loved for years to come.

Our styling service works across a diverse range of residential projects, curating beautiful bespoke spaces tailored to the individual client.

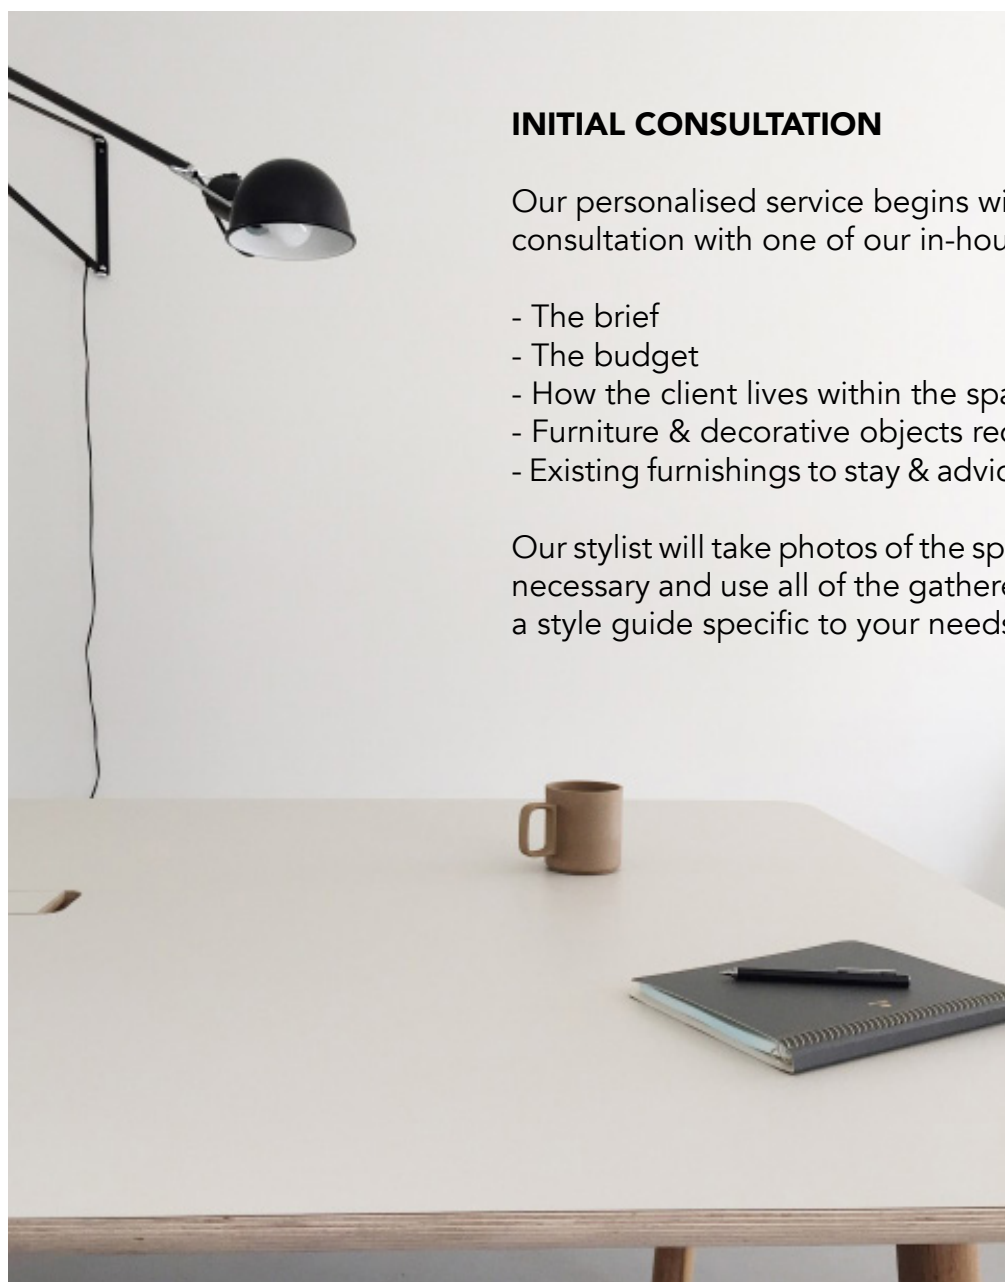

# OUR PROCESS

## INITIAL CONSULTATION

Our personalised service begins with an initial on site consultation with one of our in-house stylists to establish:

- The brief
- The budget
- How the client lives within the space
- Furniture & decorative objects required for the space
- Existing furnishings to stay & advice on how to style them

Our stylist will take photos of the space, measure up where necessary and use all of the gathered information to tailor a style guide specific to your needs.

## STYLE GUIDE

Furniture, art and decorative object selections are documented in a presentation personalised by the stylist, including:

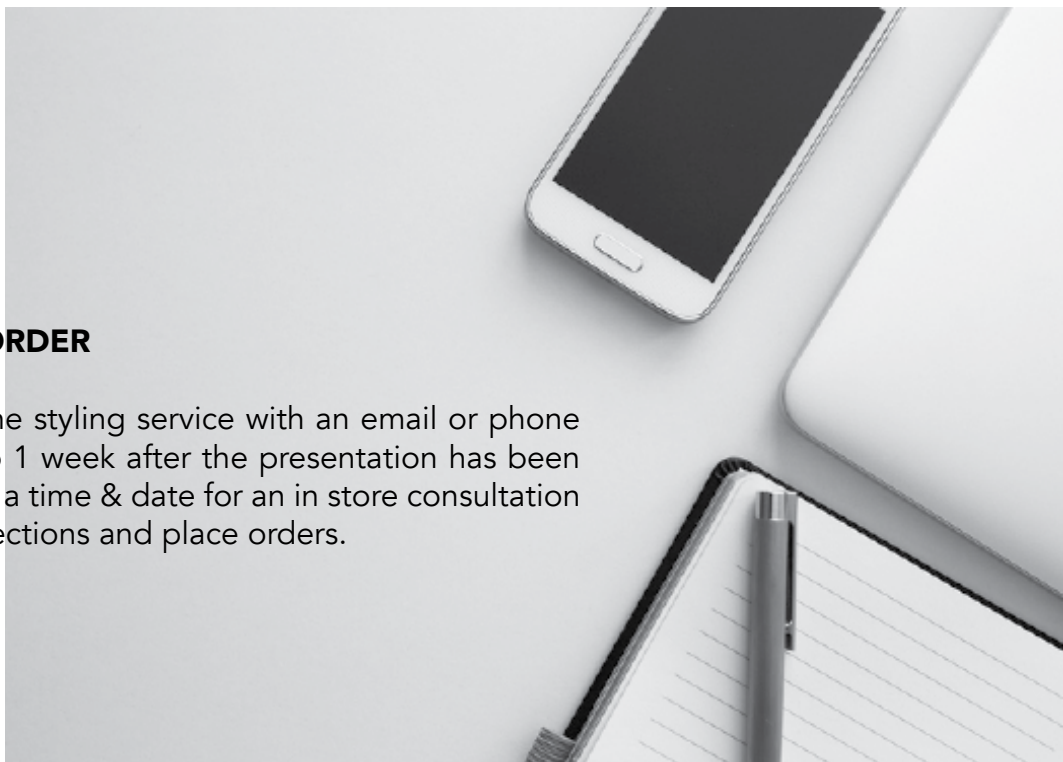

- Look & feel style guide with lifestyle imagery
- Up to 10 furniture/object selects arranged in a concept board
- Detailed specification sheet with all dimensions, colour, prices & lead times

+ any additional selects will incur an additional fee at an hourly rate of \$100

## REVIEW & ORDER

We finalise the styling service with an email or phone call follow up 1 week after the presentation has been sent to set a time & date for an in store consultation to review selections and place orders.

## STYLING FEE

The styling fee of \$500 is payable prior to consultation & is redeemable against store purchases over \$5000.
