

COVE DINING CHAIR  
23" W x 26" D x 33" H

Shown in Pierre Frey Seine Port and Natural Oak

Our simplified expression of a classic Napoleon III slipper chair is finished with a pared-down scallop-edged skirt, designed with a lumbar pitch for table-side seating. The seat cushion features a down feather crown for flexibility on either side, while a removable cover with back zip closure and corner tie-downs maintain each chair’s essential character - sophisticated, impeccably designed, but not taking itself too seriously.
