ROUND DINING TABLE

60" D x 29" H

Shown in Ebony

Every table tells a story. This one is a page-turner. An impressively solid, 3-inch oak circular dining table has solidity with a light touch, featuring seagrass lashing detailing. A natural wax and oil finish allows the wood's natural idiosyncrasies to come subtly to life. Informally formal, it's meant to be the heart and soul of any living space.
