To Join the pages, match the circle halves to make a full circle on each side.
It is easier to do if you cut up to the red frame on one of the joining side.
Use tape or glue to join.

Note - Seam allowance of 3/8" or 1 cm is built into the pattern piece edge. To use a larger seam allowance please cut the piece larger outside of the dotted black line.

Pattern is based on average head size of 22.5 inches or 57.5-58 cm

You can shorten the depth of the hat by removing about 1 cm or 3/8" from the bottom edge. See video for details.
