FAQ

How long do bespoke products take from start to finish?

We work with you to come up with a totally original design, which can take 2 to 4 weeks depending on the complexity. Once we nail down the design, it's on to production, which takes 6 to 8 weeks.

Is there a discount for larger orders?

Yes indeed: Order 4 or more pieces of the same design and we'll give you 10% off.

What's the return/exchange policy for bespoke orders?

Go ahead and place the order! The \$50 deposit to get on a call with Christina to discuss options is refundable. But because our bespoke

products are 100% personalized, we cannot return or exchange your order once your design has been confirmed.

I've got big dreams for a product that you don't offer—what are my options?

Let's make your dream a reality! Take a look at our collaborate option, which allows for complete customization.

Why was my bespoke order canceled?

CJW reserves the right to cancel any orders that contain an image or text that is offensive, political, or subject to copyright protection. Orders that are canceled will be refunded within 5 to 7 days.
