Instructions

1. How to Top Fill

- Turn the airflow ring to the closed position.
- Press the flip cap button to open the top cap.
- Add E-liquid.
- Close the top cap after filling your tank, and then let it sit for 10 minutes (if it's a new coil).

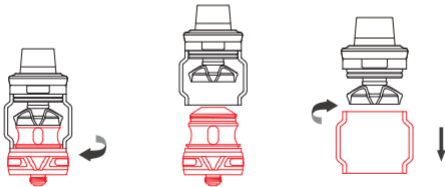

Caution:

- Don't put E-liquid in the center hole.
- Do not leave the top cap off for a long time to avoid leaking.
- Close the top cap and make sure it is completely locked after refilling to prevent leaking.
- When filling only use a bottle that has a nozzle that can fit inside the opening of the tank which is 3.8 millimeters wide.
- When using a new coil and then filling the tank, please let the tank sit for 10 minutes to prime the coil completely.

2. Glass Changing & Tank Cleaning

- Unscrew the base in a counterclockwise motion.
- Hold the top cap with one hand, hold the glass with the other hand and twist off the glass with a clockwise turn.
- Re-install the glass and base after cleaning or changing.

Caution: Make sure that the glass is flush with the mounting surface of the top cap. Check the O-rings while re-assembling that they are not protruding out of the metal groove to avoid leakage.

3. How to change the coil

- Unscrew the base in a counterclockwise motion.
- Remove the coil from the base in a counterclockwise motion.
- Make sure the O-rings are intact when installing a new coil head, and then install the new coil in the base.
- Install the base back on in a clockwise motion, open the airflow to use. (When using a new coil and then filling the tank, please let the tank sit for 10 minutes to prime the coil completely).

Attention

1. Please use a dry and soft cloth to clean the device. Keep away from water or any liquids.
2. Please do not put the device in your pocket with other hard objects to avoid damages.
3. If you want to use the recommended wattage then please fully open the airflow holes. If you want to use less airflow, we suggest you lower the wattage.
4. Don't disassemble the device.
5. The coil must be removed before you clean the atomizer. ONLY use clean water, NO chemical cleaning agents should be used. Reassemble once every part is dry.
6. If you plan on not using the atomizer for an extended period of time, clean the atomizer and then put it in a cool and dry area once it is dry.
7. This product does contain glass, be cautious when handling to avoid damages.
8. Avoid high temperature, low temperature and humidity during use or storage to avoid damage to the equipment.
9. The product parameters or pictures in this manual are for illustration purpose only, please refer to the actual product.

Safety Instruction

Please read the following safety instructions carefully before using the product.

1. This product is only available to people who have reached the legal age of smoking. It is strictly forbidden for young children, pregnant women and women during breastfeeding or for patients with heart disease, high blood pressure, diabetes, depression and asthma.
2. Please put the product out of reach of children and pets to avoid injury.
3. When using this product, please keep away from inflammable and explosive materials to avoid injury.
4. The company does not assume any responsibility for any equipment damage or personal injury caused by user misuse.

Warranty Details

Please keep the anti-counterfeit code and proof of purchase after purchasing the product.

The warranty period is 180 days from the date of purchase. Our company provides warranty service (Device and atomizer only, exclude coil head and pod cartridge).

Please note that any of the following conditions are not covered by the warranty:

1. Exceeding the warranty period.
