## RESELLER AGREEMENT

---

I/We ("Reseller") affirms that the information provided above is accurate. Reseller agrees to the terms and conditions herein. Reseller agrees to resell Nature Restore products to consumers and to represent Nature Restore in a professional businesslike manner. Reseller will adhere to and comply with Nature Restore MAP policy attached herein. Reseller will sell Nature Restore products only in the physical locations or website URLs set forth in this agreement and only directly to consumers, unless the product(s) being sold is/are used as a bulk ingredient.

**Reseller will not sell or advertise Nature Restore products to or through online resellers such as Amazon, Ebay, Jet.com or other web-based resellers of any kind.** Reseller will not sell or otherwise transfer or drop-ship Nature Restore products to any of its affiliates, other entities or people if such products are to be listed for sale through online resellers as indicated herein. Reseller will not purchase and/or utilize any online key words containing the term "Nature Restore" from any source such as Google AdWords or any other source. Reseller agrees that selling in locations other than authorized locations will cause damage to Nature Restore in an amount that cannot be determined at this time but agrees to pay for said damages (including attorney's fees) that result from Reseller's failure to comply with the requirements herein. Reseller further agrees that Nature Restore may immediately suspend reseller status until the appropriate corrections are made and/or immediately terminate this agreement in its entirety.

**LIQUIDATED DAMAGES:** The parties to this agreement each recognize that the authenticity and direct sourcing from Nature Restore of its products is important to the reputation and branding of Nature Restore. Specifically, Reseller understands that Nature Restore's reputation of being the leading on-line source of Nature Restore products is valuable to Nature Restore. Reseller and Nature Restore agrees that it is, and would be difficult to ascertain the exact value of the damage that would be caused to Nature Restore's brand if unauthorized third parties were to sell Nature Restore products online. The parties have discussed this issue and agree that \$ 5,000 is a fair estimate of the damage likely to be caused to the Nature Restore brand if Reseller were to sell any Nature Restore products online or to third parties that sell it online. The parties have been represented by counsel in the negotiation of this agreement, and/or understand that they may be so represented. Reseller represents that it is in the business of re-selling food and supplement products and understands the difficulty of proving the damage that would be caused to the Nature Restore brand.

**Reseller Initials:** \_\_\_\_\_

**INDEMNIFICATION:** Reseller ("Indemnifying Party") shall indemnify, hold harmless and defend Nature Restore and its officers, directors, employees, agents, affiliates, successors and permitted assigns (collectively "Indemnified Party") against any and all losses, damages, liabilities, deficiencies, claims, actions judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys' fees, that are incurred by Indemnified Party and/or awarded against Indemnified Party (collectively "Losses") arising out of Reseller's unauthorized reselling and/or advertising to or through online resellers including, but not limited to Amazon, Jet.com or other web-based resellers of any kind.

## RESELLER AGREEMENT

---

**DAMAGES AND WARRANTY** Reseller will inspect all shipments for damages within 10 days of arrival at final destination and will request an RMA (Return Merchandise Authorization) if necessary for any damages. No RMA's will be accepted after that date for damaged goods. If no RMA is requested during the 10 day time-frame, Nature Restore will deem the goods to have been accepted as satisfactory or in good selling condition. **Reseller will send photos of damaged goods to Nature Restore with the return or credit request. If no photos of damage are provided, no RMA will be issued.** At the time of RMA, Nature Restore will issue a call tag to reseller, if call tag is not used to return the products to Nature Restore within 10 business days, the call tag will be voided and products will not be applicable for a credit or replacement. Nature Restore does not accept returns for expiration dates beyond 30 days from receipt of goods. If reseller is unable to sell products prior to their expiration date, Reseller will not be entitled to a refund. Goods damaged by opening boxes with box cutters or other types of damages caused by Reseller will not be returnable. Returns will only be accepted for goods (1) damaged by Nature Restore, (2) with expirations that are less than 6 months upon delivery, or (3) that are spoiled within expiration date. If products are returned for reasons other than acceptable reasons stated herein, a restocking fee of 25%-100% will apply at Nature Restore's sole discretion.

Nature Restore may freely assign this agreement. This agreement will be governed by the laws of the State of California, without regard to its choice of law provisions, and any disputes arising under this agreement shall be filed in the appropriate court in the county of Orange. Any notices pertaining to this agreement shall be delivered to the addresses of Nature Restore and Reseller as listed herein. Either party may terminate this agreement with 30 days advance written notice to the other party, except in the case of Nature Restore's right to terminate this agreement as set forth above, in which case no advanced notice is required.

This agreement and its attachments constitute the only agreement between Nature Restore & Reseller pertaining to the subject matter herein. The parties hereby agree to these terms and conditions.

**ATTORNEYS' FEES:** Should it be necessary to institute any action to enforce the terms of this Agreement, the parties hereby agree that the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees, as well as all costs of the action, including, but not limited to court or arbitration tribunal costs, filing fees, exhibit fees, forensic consultant fees, litigation support costs and expert witness fees. Further, recoverable attorney fees and costs shall include the costs for such items for any appeals. This paragraph shall remain independent from any judgment entered to enforce its terms, shall not merge therewith, and shall entitle the prevailing party to attorneys' fees and costs incurred in connection with post judgment collection and enforcement efforts. For purposes of this provision, if a matter is filed in any venue other than the state or federal courts in Orange County, California and the matter is dismissed for improper venue, the party that did not file the action shall be deemed the prevailing party in that action.

## MINIMUM ADVERTISED PRICE POLICY (MAP)

In order to protect our reputation for quality products, Nature Restore Corporation ("Nature Restore") has adopted the Minimum Advertised Price Policy ("MAP"). The policy states as follows:

Nature Restore has established a Minimum Advertised Price Policy for all products sold or represented by Nature Restore. Nature Restore reserves the right to cease supplying product to any dealer/wholesaler whose advertising of the product (or to any distributor who sells to a dealer whose advertising of the product) contains a price lower than the Manufacturer's Suggested Retail Price (MSRP) set forth in the current Nature Restore Price List.

This policy applies to all forms of wholesaler/distributor advertising including mailings, catalogs, displays at consumer shows/exhibits, and any and all other forms of advertising media, including without limitation, the internet and any other electronic network. Any price information relating to Nature Restore products on an internet website which can be accessed directly through the transfer protocol (http) is considered to be advertising for purposes of this policy. Electronic mail sent in direct response to a customer inquiry is not considered to be advertising.

This policy only concerns advertised prices, and applies equally to all Nature Restore distributors and wholesalers. Exceptions to this policy include any Nature Restore authorized promotions for the specified timeframe as provided in writing by Nature Restore.

The foregoing is a statement of our Nature Restore unilateral policy and expresses the terms upon which we will deal with our customers. Nature Restore may modify the MAP policy from time to time. Nature Restore does not seek, nor will it accept, any agreement or understanding with you or anyone else with respect to the prices you may advertise or charge at any time.

*This MAP policy has been established by Nature Restore to protect the reputation of its name and products. Please indicate your understanding of this policy and your willingness to abide by its terms and conditions by signing and listing the name of your company below.*
