

Set Up Instructions

BS-ROLL UP 1/2

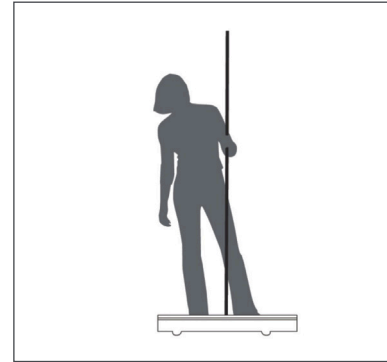

Step 1: Remove the banner stand from the bag.

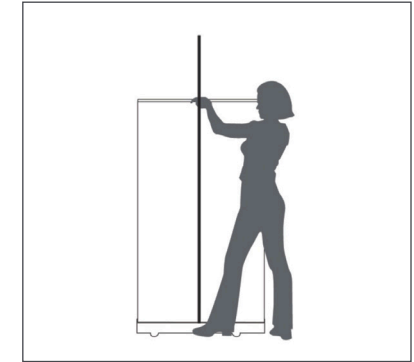

Step 2: Remove pole from base of banner stand and turn the stabilizing feet to 90° angle.

Step 3: Assemble 3-piece pole and insert into the hole(s) located on the base.

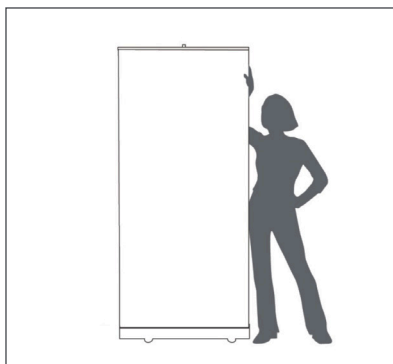

Step 4: Pull graphic(s) out of base and fasten hook(s) into the top of the pole.

Step 5: Place display into position. Complete.

Step 6: To close, unfasten top hook and firmly grip while gently retracting.

LIGHTS:

To insert light onto top of pole, align profile hook through center groove of light base.
