

Set Up Instructions

HSSA-H-2460F (500ml)

Step 1: Assemble straight poles by pressing and pushing together.

Step 2: Connect all corner sections to straight sections. Face holes of 90° corners towards the bottom of frame.

Step 3: Unzip print and lay image face up. Slide print onto frame like a pillow case.

Step 4: Grip the fabric tightly and stretch around bottom pole to pinch zipper into place. Zip the graphic together for taut finish.

Step 5: Assemble post (75) into base plate or optional feet with screw by hand turning post and tightening into place.

Step 6: Push banner stand frame onto posts of flat base or optional feet. Press evenly on both sides to make easier for the frame to go on.

Set Up Instructions

HSSA-H-2460F (500ml)

Step 7: Find the bottom support post hole and cut a small X over bottom hole only. **Important!** Top hole should not be used or dispenser will cover text above.

Step 8: Install dispenser mount with one screw in top mount only..

Step 9: Slide dispenser onto mount and press down.

Step 10: Install x4 AA Batteries (not included)

Step 11: To open lid, use small opening tool included and press into the holes on top of the dispenser.

Step 12: Add sanitizer gel to dispenser. Do not overfill.

Step 13: Replace lid.
