# Celebrating 25 Years

And just like that...25 years in business!

More like 25 years celebrating Christmas in Mississippi but it has certainly flown by. A little older and wiser, we are even more passionate about our state! We cannot wait to celebrate the holiday season with all our clients, friends and family. What started out as a small shop selling Mississippi foods has grown into a way of life and offering all things Mississippi. While we have always taken pride in our unique selection of products, we've also gotten to know the people and stories behind them. I'd like to think it makes us experts at our job but it's also the most rewarding part! For us, it's personal and what better way to serve our clients than by investing with our hearts. This Christmas season, we are going big...more delicious food, more unique gifts and art and most of all, thanking you for a wonderful 25 years! Cheers to Mississippi and all that it brings, a quarter of a century never felt so good.

Merry Christmas and happy shopping!

*Cindy Jifer*
