

The Witches' New Year Spread

Bonfire

1. What energy needs to be cleansed from my aura?

Death

2. What needs to be left behind that is no longer serving me?

Ancestral

3. What can be learned from my ancestral lineage?

Rebirth

4. How can my energy be expanded?

Empowerment

5. How will these things help empower me?

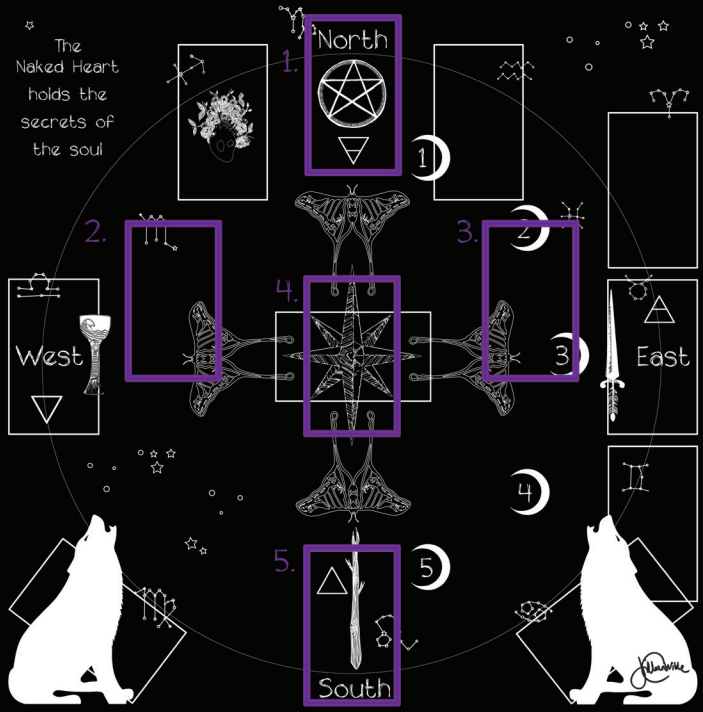

Crystal recommendation: Celenite wand or stick - You can use a piece of celenite to comb over your aura to help you remove any unwanted negative junk. Hold it 6 inches away from the body working from the top of the head to feet. Imagine it absorbing anything negative or not belonging to you.

Candle Colour: White for peace and illumination

This spread is designed to help you transition into the New Year allowing illumination and truth to come through, so you can make the most of it. Be sure to ground and center yourself before you begin.
