

END-USE CERTIFICATION

This End-Use Certification ("EUC") must be completed, signed and dated (NOTE: Page 2 must be initialed).

Please email a copy of this EUC to your sales representative. BOTH pages are to be returned to AMERICAN PHOTONICS CO. before your order can be processed.

(PLEASE PRINT CLEARLY AND COMPLETE ALL FIELDS)

This is to certify that the goods being purchased from AMERICAN PHOTONICS CO. and/or its subsidiaries from January 1, 2017 to December 31, 2017 (collectively, the "Product") will be destined for the following end-use:

Military/Defense Space/Satellite Commercial/Industrial Telecom Life Sciences R&D/Other

If Military/Defense, Space/Satellite, or R&D/Other has been checked, please describe the specific end-use application (statements such as "for use in laboratory" or "for R&D purposes" are not acceptable). If there are multiple end-use applications, please complete a separate EUC for each distinct end-use application.

On behalf of the company set forth below, I understand and confirm to the best of my knowledge that all goods being purchased will not be imported, exported, reexported, or transferred for or to any of the prohibited activities, end-uses or individuals listed in Sections "A" through "I", found below and on the next page.

Full Legal Name of Company/Purchaser: _____

Country Located: _____ Website Address (if applicable): _____

First AND Last Name of Authorized Representative: _____

Signature: _____

Job Title of Authorized Representative: _____ Date: _____

For Non-US Customers:

Will the Product you are purchasing be incorporated into an item/commodity that is subject to the export control regulations of the country you are located in? Yes No

If yes, please indicate Control List and Control List Number (if applicable): _____

For US Customers:

Will the Product you are purchasing be incorporated into an item/commodity subject to U.S. export control regulations? (other than EAR99) Yes No

If yes, please indicate Control List and Control List Number (if applicable): _____

A. Chemical/Biological: Product will not be imported, exported, reexported or transferred to be used in the design, development, production, stockpiling, or use of chemical or biological weapons and their precursors.

- B. **Certain Rocket Systems and Unmanned Air Vehicles:** Product will not be imported, exported, reexported or transferred for use in the design, development, production or use of rocket systems (including ballistic missile systems, target drones and reconnaissance drones)
- C. **Nuclear:** Product and or/or replicas thereof will not be imported, exported, reexported or transferred to be used (either directly or indirectly) in sensitive nuclear end-uses, including nuclear explosive activities, unsafeguarded nuclear activities related to any nuclear reactor, critical facility, facility for the fabrication of nuclear fuel, facility for the conversion of nuclear material from one chemical form to another or separate storage installation, where there is no obligation to accept International Atomic Energy (IAEA) safeguards, and safeguarded and unsafeguarded nuclear fuel cycle activities.
- D. **Maritime Nuclear Propulsion Projects:** Products will not be imported, exported, reexported or transferred to be used in the design, development, production, construction, support or maintenance of a maritime nuclear propulsion project, including any machinery, devices, components or equipment specifically developed or designed for use in such plants or facilities.
- E. **Terrorism:** Product will not be imported, exported, reexported or transferred for use by or for persons who commit, threaten to commit, or support terrorism.
- F. **General:** Product will not be used, SOLD, imported, exported, reexported or transferred directly or indirectly, contrary to the export control laws and regulations of any government body having jurisdiction over the Product.

I ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND CONFIRM COMPLIANCE OF THE ABOVE INFORMATION AND I AGREE TO NOTIFY THE SELLER AND UPDATE THIS END USE CERTIFICATE IF ANY OF THE STATEMENTS ABOVE SHOULD CHANGE FOLLOWING THE INITIAL DATE OF SIGNATURE.

Initials of person signing End-Use Certification: _____
