BOOTIE TRENDS**

IN THE FROW

EMBELLISHED HEELS

A beaded or sparkly heel looks best when worn with clean, minimalist jeans and a tailored blazer or vest. You know they're meant to be the star of the show, so give them a chance to stand out.

SLOUCHY ANKLES

This relaxed and open style is the perfect mate for leggings, tights or even bare legs. Avoid pairing them with loose pants or you'll end up looking baggy and shapeless.

BRIGHT WHITE

Note: These are not the go-go boots of yore. Think more structured shapes and edgy details. Wear them exactly as you would plain black booties.
