

Sacred Healing Water

by Patricia Diane Cota-Robles

The Divine Masculine and the Divine Feminine Polarities of our Father-Mother God are being balanced within each of us, and our spiritual brain centers are awakening to their full Divine Potential. Through this facet of Humanity's Transfiguration, every man, woman and child is being lifted into frequencies of Divine Consciousness beyond anything we have experienced since we began our Earthly sojourn. Our 5th-Dimensional I AM Presence is now able to access our physical bodies for the very first time.

Every evolving soul has an unprecedented opportunity to let go of fears, behavior patterns and belief systems that no longer serve our highest good. To assist us in this process, the Company of Heaven has given us a wondrous and unique Gift. This Gift involves an activation of the Healing Waters throughout the world. Through this activation, the healing properties within each body of water are empowered and perpetually sustained.

In order for people everywhere to have access to the Healing Waters from around the world, the Beings of Light asked if we at the New Age Study of Humanity's Purpose would be willing to assist in distributing the water without charge to all who are interested in receiving this Gift. In deep gratitude and love, we joyously accepted this sacred service to Life.

Water is a cleansing, healing unguent that comprises over 80% of our physical bodies and the body of Mother Earth. Throughout time the Water Element has been used as a Holy Sacrament. Its healing properties are without comparison, and the various bodies of water throughout the world contain unique healing frequencies for the myriad needs of Humanity.

The Beings of Light asked NASHP to collect the Healing Waters from around the world and to create a Sacred Blend of Healing Water that would be used as a starter for the Divine Activation. The Healing Waters from all over the planet contained in this starter water are listed in the back of this Activation brochure.

The specific healing energy, vibration and consciousness within the water and the areas from which these waters were collected are preserved in the starter water. Within this unified field of consciousness, each time the Divine Activation is done by anyone on the planet, the unique healing properties of every body of water involved are amplified and intensified. This amplification occurs, as well, within the starter water being utilized by any person anywhere at anytime.

With this incomparable Gift from On High, we can all have perpetual access to the full potential of healing from the Healing Waters around the world. All we need is a small vial of starter water from the Sacred Blend of Healing Water and a copy of the Divine Activation.

After you have received your small vial of starter water, simply pour the Sacred Blend of Healing Water into a larger bottle of purified water and carefully follow the instructions for the Divine Activation. It does not matter what size the larger bottle of water is. You can empty the vial of water into a one gallon or five gallon bottle. Once the activation is complete, your large bottle of water is just as powerful as the original vial of starter water.

You now have your own starter water. From this water, you can repeat the process and create as much Healing Water as you like for your own personal use and to share with your friends and family. Every time you share some of your starter water with someone, be sure to give them a copy of the Divine Activation. You are welcome to copy this leaflet. Your friends will then have their own starter water to distribute, and the Healing Water will expand around the world exponentially.

Remember, always set aside some of your starter water, so you will have some when you are ready to make your next batch of Healing Water. By repeating this simple activation process every time you want more Healing Water, you will have access to this Gift from the Company of Heaven for the rest of your life.

This Divine Intervention is being given not only as a Gift for the healing of Humanity but for the healing of the waters of the world as well. We can all serve as Instruments of God for this facet of the Divine Plan by pouring some of our Healing Water into all of the pools, lakes, streams, creeks, rivers, seas and oceans with which we come in contact. All we need to do is pour some starter water in the body of water, and then place

our hands in the water and repeat the Divine Activation. Through this process, we will heal the waters of the world.

As we consume the Sacred Blend of Healing Water each day, we should do so as a Holy Sacrament, KNOWING and EXPECTING that, with every breath we take, our physical experiences on Earth are being restored to God's original Divine Intent of Heaven on Earth.

The Divine Activation

The Divine Activation is very simple, but very precise. Please follow the instructions carefully. Begin by pouring the entire vial of the Sacred Blend of Healing Water into a large bottle containing pure water. Leave the cap off, and place your hands on either side of the bottle. Say the following ancient Hebrew Invocation aloud three times:

***KADOSH, KADOSH, KADOSH
ADONAI SEBAYOTH***

***HOLY, HOLY, HOLY
IS THE LORD GOD OF HOSTS***
(repeat 3 times)

This invocation is used to invoke the full-gathered momentum and power of our Omniscient, Omnipotent, Omnipresent Father-Mother God - All That Is.

The Sacred Geometry of the following mathematical formula expresses Humanity's Transfiguration from:

The fallen human ego: 666

into the Solar Christ Presence: 999

into the Mighty I AM Presence 12 12 12

Say the following mathematical formula aloud one time:

6-6-6

9-9-9

12-12-12

(The following visualization is stated in the first person, so everyone will experience it tangibly and personally.)

I AM visualizing two blazing Pyramids of Light. One is forming in my Third Eye Chakra,
And the other is forming in my Heart Chakra.

These Pyramids of Light are comprised of the five Solar Aspects of Deity instrumental in activating the blueprints of Limitless Physical Perfection within my RNA-DNA structures.

As I activate these Divine Blueprints, my physical, etheric, mental and emotional bodies are transformed, at an atomic cellular level, into the Limitless Physical Perfection of my Solar Light Bodies.

1. The two Pyramids are each formed on a foursquare WHITE base representing the Fourth Solar Aspect of Deity, the ASCENSION FLAME.
2. The first side of the Pyramid is a GOLD triangle, which represents the Tenth Solar Aspect of Deity, the FLAME of GOD'S LIMITLESS ABUNDANCE and ETERNAL PEACE.
3. The second side of the Pyramid is a GREEN triangle, which represents the Fifth Solar Aspect of Deity, the FLAME of GOD'S NEW ORDER of HEALING and ILLUMINED TRUTH.
4. The third side of the Pyramid is a VIOLET triangle, which represents the Seventh Solar Aspect of Deity, the FLAME of GOD'S POWER of TRANSMUTATION and LIMITLESS PHYSICAL PERFECTION.
5. The fourth side of the Pyramid is a PINK triangle, which represents the Third Solar Aspect of Deity, the FLAME of GOD'S DIVINE LOVE and REVERENCE FOR ALL LIFE.

As I observe the Pyramids in my mind's eye, they begin to slowly spin, projecting forth concentric circles of Light through my heart, head and hands. The multifaceted Aspects of Deity within each Pyramid blaze through my heart, head and hands into the Sacred Blend of Healing Water.

As this occurs, I AM lifted into a blissful state of GRATITUDE, and I AM enfolded in the embrace of God's complete ACCEPTANCE, FORGIVENESS, LOVE AND TRUTH.

Within the embrace of my Father-Mother God's Divine Balance, I project my Divine Intentions into the Sacred Blend of Healing Water. I consciously program into the intelligence of the water exactly what I want the Healing Water to do for me personally and for my friends and loved ones collectively. (pause)

After activating the Sacred Blend of Healing Water with my personal Divine Intent, I invoke the Beings of Light from the Realms of Illumined Truth:

In the Name of the Almighty Presence of God, I AM, and through the full power of God blazing in every Heart Flame, I invoke into the forcefield of Humanity's

Unified Cup of Transfiguration the Twelve Solar Elohim and the Directors of the Five Elements: Earth, Air, Fire, Water, and Ether.

Blessed Beings of Light, come forth now, and project into this Sacred Healing Water, through my HEART, HEAD and HANDS, the most intensified activity of Healing and Transfiguration allowed on Earth at this moment by Cosmic Law.

Charge, Charge, Charge every molecule of this Sacred Healing Water with the Divine Blueprint of Heaven on Earth. (pause)

Charge, Charge, Charge every molecule of this Sacred Healing Water with the Immaculate Concept of my physical, etheric, mental and emotional bodies. (pause)

Charge, Charge, Charge every molecule of this Sacred Healing Water with the Truth of Limitless Physical Perfection. (pause)

Charge, Charge, Charge every molecule of this Sacred Healing Water with the tangible, physical manifestation of Eternal Youth, Vibrant Health, Radiant Beauty, God's Limitless Flow of Abundance, Transfiguring Divine Love, Happiness, Eternal Peace and every other quality of God's Perfection. (pause)

Permanently SEAL this Divine Light in the Core of Purity pulsating in every electron of this Sacred Blend of Healing Water. (pause)

Expand the power and effectiveness of this Divine Activation the maximum that Cosmic Law will allow daily and hourly, moment-by-moment, with every breath I take. I accept that this Divine Activation has been victoriously accomplished with God's Full Power.

It is done! And so it is, Beloved I AM.

This completes the Divine Activation process. Leave the cap off of the water for at least six hours, so the activated Healing Water will breathe and be oxygenated. Then replace the cap, and place your bottle of water where it will receive Sunlight. This can be either outside or in a window. Leave it alone for a total of 72 hours (3 days). It doesn't matter if the days are cloudy or sunny. The spiritual Light of the Sun is never blocked by anything. During the 72 hours, the Divine Activation will be assimilated into the Sacred Blend of Healing Water, and when the time is up, your large bottle of Healing Water will be just as powerful as the original starter water.

After the 72 hours, your Healing Water is ready to use. Begin slowly. Drink only one or two ounces, two or three times a day to start with. Drink lots of additional pure water throughout the day. See how your body feels, and gradually drink more of the Healing Water as your Inner

Guidance directs you. After the initial process, many people use the Sacred Blend of Healing Water as their sole source of drinking water.

Remember, this Sacred Healing Water is a Gift from On High and must never be bought or sold. It should be treated at all times as a Holy Sacrament.

A Life-transforming new book that answers the questions you have been asking for lifetimes.

Who Am I? Why Am I Here?

By **Patricia Diane Cota-Robles**

This is a book that I have been waiting 35 years to write.

At long last, the answers to the questions that people have been asking for lifetimes can be revealed. These profound Truths have been carefully hidden in mystery schools, awaiting the time when the masses of Humanity would be awake enough to comprehend them.

That time is NOW!

This amazing new book clearly answers the questions:

1. What is the true story of Humanity's fall from Grace?
2. How did the various world religions form?
3. What was Jesus' mission, and how does he fit into the present unfolding Divine Plan?
4. What was Jesus' relationship with Mary Magdalene?
5. Is there a Feminine Aspect of God? Do we really have a Mother God?
6. Are all Human Beings Children of God, and what does that mean?
7. Are there Beings on other planets? If so, are they Children of God?
8. Why is there so much pain and suffering on Earth? Can I do anything to change Humanity's misery?
9. Is Humanity's natural Birthright the infinite

Abundance of God? If so, why is there so much poverty?

10. Why are things so intense right now? Is something BIG happening?
11. Will the masses of Humanity ever grasp the concept of the Oneness of ALL Life?
12. Am I really capable of transforming my life into what I want it to be?

In the vitally important book, *"Who Am I? Why Am I Here?"* these questions, and many more, are answered clearly and comprehensively.

The Divine Intent of this book is to share this priceless information with you. It will also teach you how to go within to the Divinity of your own Heart Flame where you will directly access your I AM Presence and Sacred Knowledge that will help you transform your life
