# GLASS & CHROME POLISH

## GLASS & CHROME POLISH

Part of our cleaner series, this polish will prep, clean, restore, and revitalize chrome and glass surfaces that have seen better days.

CLEANER SERIES

# GLASSPARENCY™

PRODUCTS MADE TO PERFORM

## FEATURES AND BENEFITS

- Deep cleans and polishes chrome and glass surfaces to remove scratches, water-spotting, stains, and hard-to-remove contaminants
- Preps glass for application of GlassParency Glass Treatment
- Fine grit, creamy texture
- Can be used to restore yellowed headlamp assemblies
- Orchid scent
- Available in 8oz, 16oz

## DIRECTIONS

### Glass:

1. Apply a small amount to either a microfiber towel, wax application pad or desired buffing pad.

2. Gently work area and allow to dry to a haze.

3. Wipe away with a soft, clean towel. Only a small amount of product is required when using on glass.

### Chrome:

1. Apply a small amount to microfiber towel, wax application pad or desired buffing pad.

2. Gently work in until contaminants/imperfections dissipate. Wipe off excess product to a shine.
