

FEACS1: Fuego Clip-On Side Shelf

Fits Models all Element & Professional Grills

Assembly Instructions:

- A: Open one end of the side shelf support kickstand.
- B: Attach side shelf to left side grill handle, left end first, right end second.
- C: Insert the side shelf support kickstand into the body of the grill. Use the top hole on the body of the grill, as indicated in the image below.

*We recommend the use of only one clip-on shelf to keep one handle to be free for placement of the lid when cooking is in progress.

CAUTION: MAX WEIGHT 10LBS
