

IMPORTANT SAFETY AND PRODUCT INFORMATION

Notice

Failure to heed the following notice could result in property damage, negatively impact the device functionality, or may void the warranty

Command Module (Hand-Held) Notice

- Do not leave the device exposed to a heat source or in a high-temperature location, such as in the sun in an unattended vehicle. To prevent the possibility of damage, remove the device from the vehicle or store it out of direct sunlight, such as in the glove box.
 - Do not operate the device outside of the following temperature range: from -40° to 60°C (from -40° to 140°F).
 - When storing the device for an extended time period, store within the following temperature range: from 0° to 30°C (from 32° to 86°F).
-

Control Module

- Do not use a power and/or data cable that is not approved or supplied by Tuson RV Brakes.
 - Do not disassemble, modify, remanufacture, puncture or damage the device.
-

Windshield Mounting Legal Restrictions (where applicable)

Before using the device on your windshield, check the state and local laws and ordinances where you drive. Some state laws prohibit or restrict the placement of objects on the windshield of a motor vehicle. It is the user's responsibility to mount the device in compliance with all applicable laws and ordinances. Always mount your Tuson RV Brakes, LLC device in a location that does not obstruct the driver's view of the road. Tuson RV Brakes, LLC does not assume any responsibility for any fines, penalties, or damages that may be incurred as a result of any state or local law or ordinance relating to the use of your device.
