

# Flower Forecast

What's bloomin' on the farm? Use this flower forecast to get a birds-eye view of what we're growing, and when! Please note that crop failure happens. We can't predict what neat curve balls mother nature will throw our way, so please inquire about exact availability for your events and we'll do our best to accommdoate!

	January	February	March	April	May	June	July	August	September	October	November	December	Dried
★ Annotates core crops. All other varities have limited availability and are first come, first serve.

## How to Order

- Flowers are shipped priority overnight Monday through Thursday for next-day delivery. Simply choose your arrival date when you place your order and we'll ship your flowers accordingly.
- Each Friday, we send an email newsletter that lists availability for the next week. We don't list all crops here, so if you see something in Flower Forecast that you'd like to order, email us for availability.
- If you're looking for something specific, ask! We're here to help you get the blooms you need.
