

PETWELL

BACK & NECK RELIEVER

Eases back, neck & shoulder discomfort.

Alleviates muscle tension & stiffness.

Provides a gentle, calming massage.

MASSAGE THE NECK

- Alleviate stiffness in the neck by providing a soothing massage that rolls out tight muscles.
- For use on medium and large breed pets, perform short massage strokes with light pressure.

MASSAGE THE BACK

- Ergonomically designed to contour to your pet's spine and release tight muscles along the back.
- Place the massage balls on either side of the spine. Start near the front of the shoulders and work your way down toward the hips, gently rolling back and forth.

MASSAGE THE CHEST

- The easy-grip handle and ergonomic shape are ideal for soothing soreness along the chest area.
- Massage in a slow-and-steady back and forth motion using gentle strokes.
