

PETWELL | MASSAGING GROOMER

Grooms and massages at the same time.

Lessens build-up of matted fur areas.

Provides a gentle, all-over massage.

MASSAGE THE BACK

- Perfect for massaging sore muscles in the back while grooming your pet in the process.
- Use in small circular motions along the sides of the spine to massage and de-shed.

MASSAGE THE CHEST

- Designed with the perfect balance of massage nodes and grooming bristles — ideal for use along the chest.
- Using light pressure and small circular motions, massage your pet and loosen dead hair.

MASSAGE THE LEGS

- Help improve flexibility and range of motion by providing a calming massage on your pet's legs.
- Use caution in sensitive areas of the body such as the lower limbs.
