

2017 KERRIGAN + BERRY RIESLING

The grapes come from the Langton Vineyard planted in the early '70s. It has a richly scented bouquet with tropical and citrus aromas in abundance, then a palate of awesome power and length, focusing as it does on the citrus and mineral components of a Grand Vin.

97 Points

Halliday Wine Companion Magazine

Aug/Sept 2018

Alcohol: 12%

Delicate aromatics introduce a steely, defined palate with sublime lemony intensity. It is powerful, yet pure, with a long, persistent finish. If drinking young, serve alongside oysters natural or salty olives. Though if you can resist, stash a case away in the cellar as it will age beautifully.

95/100
