

HAY SHED HILL

MARGARET RIVER

SHIRAZ TEMPRANILLO 2020

92

Ink black core to a deep purple rim. Raspberry, blackberry and cola spices. On the nose, dark fruit fills the palate whilst layers of anise, cinnamon and dark slate provide interest and intrigue. Great length provided by a gravelly tannin line that, whilst firm, remains in perfect context to the wine's presence.

Ranked #23 of 102 2019 Shiraz blends from Australia

The Real Review by Stuart Knox, February 2022

Now aren't these two varieties good friends. Each brings their best to this savoury, juicy wine. Lovely plump and ripe fruit comes infused with red licorice, sarsaparilla and dried herbs. Fine grit to the tannins and succulence throughout the mid-weighted palate. A little ripper.
