

HAY SHED HILL  
BLOCK 1 SEMILLON SAUVIGNON BLANC 2019  
MARGARET RIVER

HAY SHED HILL  
MARGARET RIVER

The fruit is sourced from Block 1 in the estate vineyard in Wilyabrup, from 48yo low-yielding semillon and sauvignon blanc vines. Both varieties were picked early and pressed together, then co-fermented in 2nd- and 3rd-use barrels; mlf was blocked and the lees left unstirred. The oak impact is evident on the nose, however the fruit has the requisite intensity to hold its own in this space. Very elegant.
