

HAY SHED HILL

MARGARET RIVER

HAY SHED HILL BLOCK 2 CABERNET SAUVIGNON 2019

RATING

95

Houghton clone cabernet sauvignon from the dry-grown Block 2. Matured for 18 months in French oak (40% new). 2019 was cool in Margaret River, and the wines are aromatic, nuanced and accessible right now. This is silky and fine, the fruit prioritised at every stage in the mouth. The tannins have been obliterated into the fruit; smashed to smithereens so fine as to be at one with the berries. Lovely, sumptuous, sleek cabernet.
