

HAY SHED HILL

MARGARET RIVER

CABERNET MERLOT 2020

As to be expected, plenty of blackberries, mulberries and raspberry leaf plus a handful of spices and river mint. Tannins are in check and it feels right to pour this now.

From the cracking 2020 vintage comes this bargain Cabernet blend that delivers in style. It opens with bright leafy aromas with plentiful fruit pastille and blackcurrant. The wine then gets a bit more serious thanks to a gravelly palate well balanced with bright and vibrant cassis/herbal flavours. Supple tannins and good length round out a delicious package.
