Hand-picked, cold-soaked, open-fermented with cultured yeast, 18 days on skins, matured in French barriques (20% new) for 12 months. Crimson-purple; a high quality medium to full-bodied malbec full of plum and black fruits, the texture complex and satisfying, the tannins perfectly balanced and integrated.

special value for money rosette

It feels effortless and firm simultaneously, no mean feat. This is a 'thinking person's red', in the best sense of the words. Long chains of integrated tannin, smoke and ferrous nuances, berried fruits, herbs. It cuts its own path, and it's a rewarding one to follow.
