In recent years this rose has been consistently among my favourites. It's made from pinot noir, which shows the versatility of this variety. Lifted notes of raspberry and cherry with a slight confectionary character. The palate is light bodied with vibrant punchy fruit delivered with a fine dry savoury edge on the finish. has a lively texture to complete a classy little rose.

**Ray Jordan - August 2022**

Delicate aromas of red cherries and redcurrants lead to a savoury and bone-dry palate. It's crisp and refreshing, a lovely salve for a hot summer day. 88 Points.
